

**Prison Rape Elimination Act
Policy Number 1.3.5.12**

PREA

I. PURPOSE

To ensure detection and prevention and respond to sexual assault/sexual abuse/sexual harassment while a person is in the legal and physical custody of those correctional programs operated by Boyd Andrew Community Services (BACS).

II. SCOPE

This policy applies to facilities operated by BACS that are contracted with Montana's Department of Corrections including locations, programs, employees, residents, volunteers and contractors.

III. POLICY

§ 115.211 (a) Boyd Andrew Community Services (BACS) has zero tolerance toward all forms of sexual abuse and sexual harassment. This policy outlines BACS' approach to preventing, detecting, and responding to such conduct towards offenders housed in any of the facilities through applicable orientation procedures, ongoing screening processes, training offered to offenders, staff training, counseling and the vigorous investigation of any alleged sexual assaults or abuse.

(b) BACS has an upper-level, agency-wide PREA coordinator, with sufficient time and authority to develop, implement, and oversee agency efforts to comply with the PREA standards in its facilities. In addition, BACS has a designated PREA Manager at each of its facilities who oversee day to day compliance with PREA Standards. The PREA Managers communicate and work in close relation to the PREA Coordinator.

BACS maintains standard definitions related to PREA standards according to the following definitions:

General Definitions:

Agency means the unit of a State, local, corporate, or nonprofit authority, or of the Department of Justice, with direct responsibility for the operation of any facility that confines offenders, detainees, or residents, including the implementation of policy as set by the governing, corporate, or nonprofit authority

Agency head means the principal official of an agency.

Community confinement facility means a community treatment center, halfway house, restitution center, mental health facility, alcohol or drug rehabilitation center, or other community correctional facility (including residential re-entry centers), other than a juvenile facility, in which individuals reside as part of a term of imprisonment or as a condition of pre-trial release or post-release supervision, while participating in gainful employment, employment search efforts, community service, vocational training, treatment, educational programs, or similar facility-approved programs during

nonresidential hours.

Contractor means a person who provides services on a recurring basis pursuant to a contractual agreement with BACS

Detainee means any person detained in a lockup, regardless of adjudication status.

Direct staff supervision means that security staff is in the same room with, and within reasonable hearing distance of, the resident or offender.

Employee means a person who works directly for or is contracted to perform work for BACS within the facility.

Exigent circumstances mean any set of temporary and unforeseen circumstances that require immediate action in order to combat a threat to the security or institutional order of a facility.

Facility means a place, institution, building (or part thereof), set of buildings, structure, or area (whether or not enclosing a building or set of buildings) that is used by an agency for the confinement of individuals.

Facility head means the principal official of a facility.

Full compliance means compliance with all material requirements of each standard except for de minimis violations, or discrete and temporary violations during otherwise sustained periods of compliance.

Gender nonconforming means a person whose appearance or manner does not conform to traditional societal gender expectations.

Intersex means a person who's sexual or reproductive anatomy or chromosomal pattern does not seem to fit typical definitions of male or female. Intersex medical conditions are sometimes referred to as disorders of sex development.

Lockup means a facility that contains holding cells, cell blocks, or other secure enclosures that are:

- (1) Under the control of a law enforcement, court, or custodial officer; and
- (2) Primarily used for the temporary confinement of individuals who have recently been arrested, detained, or are being transferred to or from a court, jail, prison, or other agency.

Medical practitioner means a health professional who, by virtue of education, credentials, and experience, is permitted by law to evaluate and care for patients within the scope of his or her professional practice. A "qualified medical practitioner" refers to such a professional who has also successfully completed specialized training for treating sexual abuse victims.

Offender means any person incarcerated or detained in a prison or jail.

Pat-down search means a running of the hands over the clothed body of an inmate, detainee, or resident by an employee to determine whether the individual possesses contraband.

Resident means any person confined or detained in a juvenile facility or in a community confinement facility.

Security staff means employees primarily responsible for the supervision and control of inmates, detainees, or residents in housing units, recreational areas, dining areas, and other program areas of the facility.

Staff means employees or contracted staff.

Strip search means a search that requires a person to remove or arrange some or all clothing so as to permit a visual inspection of the person's breasts, buttocks, or genitalia.

Transgender means a person whose gender identity (i.e., internal sense of feeling male or female) is different from the person's assigned sex at birth.

Substantiated allegation means an allegation that was investigated and determined to have occurred.

Unfounded allegation means an allegation that was investigated and determined not to have occurred.

Unsubstantiated allegation means an allegation that was investigated and the investigation produced insufficient evidence to make a final determination as to whether or not the event occurred.

Volunteer means an individual who donates time and effort on a recurring basis to enhance the activities and programs of BACS

Sexual abuse includes—

1. Sexual abuse of an inmate, detainee, or resident by another inmate, detainee, or resident; and
2. Sexual abuse of an inmate, detainee, or resident by a staff member, contractor, or volunteer.

Sexual abuse of an inmate, detainee, or resident by another inmate, detainee, or resident includes any of the following acts, if the victim does not consent, is coerced into such act by overt or implied threats of violence, or is unable to consent or refuse:

1. Contact between the penis and the vulva or the penis and the anus, including penetration, however slight;
2. Contact between the mouth and the penis, vulva, or anus;

3. Penetration of the anal or genital opening of another person, however slight, by a hand, finger, object, or other instrument; and
4. Any other intentional touching, either directly or through the clothing, of the genitalia, anus, groin, breast, inner thigh, or the buttocks of another person, excluding contact incidental to a physical altercation.
5. Sexual abuse of an inmate, detainee, or resident by a staff member, contractor, or volunteer includes any of the following acts, with or without consent of the inmate, detainee, or resident:
 6. Contact between the penis and the vulva or the penis and the anus, including penetration, however slight;
 7. Contact between the mouth and the penis, vulva, or anus;
 8. Contact between the mouth and any body part where the staff member, contractor, or volunteer has the intent to abuse, arouse, or gratify sexual desire;
 9. Penetration of the anal or genital opening, however slight, by a hand, finger, object, or other instrument, that is unrelated to official duties or where the staff member, contractor, or volunteer has the intent to abuse, arouse, or gratify sexual desire;
 10. Any other intentional contact, either directly or through the clothing, of or with the genitalia, anus, groin, breast, inner thigh, or the buttocks, that is unrelated to official duties or where the staff member, contractor, or volunteer has the intent to abuse, arouse, or gratify sexual desire;
11. Any attempt, threat, or request by a staff member, contractor, or volunteer to engage in the activities described in paragraphs (1)-(5) of this section;
12. Any display by a staff member, contractor, or volunteer of his or her uncovered genitalia, buttocks, or breast in the presence of an inmate, detainee, or resident, and
13. Voyeurism by a staff member, contractor, or volunteer.

Voyeurism by a staff member, contractor, or volunteer means an invasion of privacy of an inmate, detainee, or resident by staff for reasons unrelated to official duties, such as peering at an inmate who is using a toilet in his or her cell to perform bodily functions; requiring an inmate to expose his or her buttocks, genitals, or breasts; or taking images of all or part of an inmate's naked body or of an inmate performing bodily functions.

Staff Sexual Harassment:

Sexual harassment includes—

1. Repeated and unwelcome sexual advances, requests for sexual favors, or verbal comments, gestures, or actions of a derogatory or offensive sexual nature by one inmate, detainee, or resident directed toward another; and
2. Repeated verbal comments or gestures of a sexual nature to an inmate, detainee, or resident by a staff member, contractor, or volunteer, including demeaning references to gender, sexually suggestive or derogatory comments about body or clothing, or obscene language or gestures.

IV. Procedural Guidelines

§ 115.213 Supervision and monitoring.

(a) For each facility, BACS shall develop and document a staffing plan that provides for adequate levels of staffing, and, where applicable, video monitoring, to protect residents against sexual abuse. In calculating adequate staffing levels and determining the need for video monitoring, agencies shall take into consideration:

(1) The physical layout of each facility; (2) The composition of the resident population; (3) The prevalence of substantiated and unsubstantiated incidents of sexual abuse; and (4) Any other relevant factors.

(b) In circumstances where the staffing plan is not complied with, the facility shall document and justify all deviations from the plan.

(c) Whenever necessary, but no less frequently than once each year, the facility shall assess, determine, and document whether adjustments are needed to:

(1) The staffing plan established pursuant to paragraph (a) of this section;
(2) Prevailing staffing patterns;
(3) The facility's deployment of video monitoring systems and other monitoring technologies; and
(4) The resources the facility has available to commit to ensure adequate staffing levels.

§ 115.215 Limits to cross-gender viewing and searches.

(a) The facility shall not conduct cross-gender strip searches or cross-gender visual body cavity searches (meaning a search of the anal or genital opening) except in exigent circumstances or when performed by medical practitioners.

(b) As of August 20, 2015, or August 20, 2017 for a facility whose rated capacity does not exceed 50 residents, the facility shall not permit cross-gender pat-down searches of female residents, absent exigent circumstances. Facilities shall not restrict female residents' access to regularly available programming or other outside opportunities in order to comply with this provision.

(c) The facility shall document all cross-gender strip searches and cross-gender visual body cavity searches, and shall document all cross-gender pat-down searches of female residents.

(d) The facility shall implement policies and procedures that enable residents to shower, perform bodily functions, and change clothing without nonmedical staff of the opposite gender viewing their breasts, buttocks, or genitalia, except in exigent circumstances or when such viewing is incidental to routine cell checks. Such policies and procedures shall require staff of the opposite gender to announce their presence when entering an area where residents are likely to be showering, performing bodily functions, or changing clothing.

(e) The facility shall not search or physically examine a transgender or intersex resident for the sole purpose of determining the resident's genital status. If the resident's genital status is unknown, it may be determined during conversations with the resident, by reviewing medical records, or, if necessary, by learning that information as part of a broader medical examination conducted in private by a medical practitioner.

(f) The agency shall train security staff in how to conduct cross-gender pat-down searches, and searches of transgender and intersex residents, in a professional and respectful manner, and in the least intrusive manner possible, consistent with security needs.

§ 115.216 Residents with disabilities and residents who are limited English proficient.

(a) BACS shall take appropriate steps to ensure that residents with disabilities (including, for example, residents who are deaf or hard of hearing, those who are blind or have low vision, or those who have intellectual, psychiatric, or speech disabilities), have an equal opportunity to participate in or benefit from all aspects of BACS's efforts to prevent, detect, and respond to sexual abuse and sexual harassment. Such steps shall include, when necessary to ensure effective communication with residents who are deaf or hard of hearing, providing access to interpreters who can interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary. In addition, BACS shall ensure that written materials are provided in formats or through methods that ensure effective communication with residents with disabilities, including residents who have intellectual disabilities, limited reading skills, or who are blind or have impaired vision. An agency is not required to take actions that it can demonstrate would result in a fundamental alteration in the nature of a service, program, or activity, or in undue financial and administrative burdens, as those terms are used in regulations promulgated under title II of the Americans With Disabilities Act, 28 CFR 35.164.

(b) BACS shall take reasonable steps to ensure meaningful access to all aspects of BACS's efforts to prevent, detect, and respond to sexual abuse and sexual harassment to residents who are limited English proficient, including steps to provide interpreters who can interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary.

(c) BACS shall not rely on resident interpreters, resident readers, or other types of resident assistants except in limited circumstances where an extended delay in obtaining an effective interpreter could compromise the resident's safety, the performance of first-response duties under § 115.264, or the investigation of the resident's allegations.

§ 115.217 Hiring and promotion decisions.

(a) BACS shall not hire or promote anyone who may have contact with residents, and shall not enlist the services of any contractor who may have contact with residents, who— (1) Has engaged in sexual abuse in a prison, jail, lockup, community confinement facility, juvenile facility, or other institution (as defined in 42 U.S.C. § 1997); (2) Has been convicted of engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats of force, or coercion, or if the victim did not consent or was unable to consent or refuse; or (3) Has been civilly or administratively adjudicated to have engaged in the activity described in paragraph (a)(2) of this section.

(b) BACS shall consider any incidents of sexual harassment in determining whether to hire or promote anyone, or to enlist the services of any contractor, who may have contact with residents.

(c) Before hiring new employees who may have contact with residents, BACS shall: (1) Perform a criminal background records check; and (2) Consistent with Federal, State, and local law, make its best efforts to contact all prior institutional employers for information on substantiated allegations of sexual abuse or any resignation during a pending investigation of an allegation of sexual abuse.

(d) BACS shall also perform a criminal background records check before enlisting the services of any contractor who may have contact with residents.

(e) BACS shall either conduct criminal background records checks at least every five years of current employees and contractors who may have contact with residents or have in place a system for otherwise capturing such information for current employees.

(f) BACS shall also ask all applicants and employees who may have contact with residents directly about previous misconduct described in paragraph (a) of this section in written applications or interviews for hiring or promotions and in any interviews or written self-evaluations conducted as part of reviews of current employees. BACS shall also impose upon employees a continuing affirmative duty to disclose any such misconduct.

(g) Material omissions regarding such misconduct, or the provision of materially false information, shall be grounds for termination.

(h) Unless prohibited by law, BACS shall provide information on substantiated allegations of sexual abuse or sexual harassment involving a former employee upon receiving a request from an institutional employer for whom such employee has applied to work.

§ 115.218 Upgrades to facilities and technologies.

(a) When designing or acquiring any new facility and in planning any substantial expansion or modification of existing facilities, BACS shall consider the effect of the design, acquisition, expansion, or modification upon BACS's ability to protect residents from sexual abuse.

(b) When installing or updating a video monitoring system, electronic surveillance system, or other monitoring technology, BACS shall consider how such technology may enhance BACS's ability to protect residents from sexual abuse.

Responsive Planning

§ 115.221 Evidence protocol and forensic medical examinations.

(a) To the extent BACS is responsible for investigating allegations of sexual abuse, BACS shall follow a uniform evidence protocol that maximizes the potential for obtaining usable physical evidence for administrative proceedings and criminal prosecutions.

(b) The protocol shall be developmentally appropriate for youth where applicable, and, as appropriate, shall be adapted from or otherwise based on the most recent edition of the U.S. Department of Justice's Office on Violence Against Women publication, "A National Protocol for Sexual Assault Medical Forensic Examinations, Adults/Adolescents," or similarly comprehensive and authoritative protocols developed after 2011.

(c) BACS shall offer all victims of sexual abuse access to forensic medical examinations whether on-site or at an outside facility, without financial cost, where evidentiary or medically appropriate. Such examinations shall be performed by Sexual Assault Forensic Examiners (SAFEs) or Sexual Assault Nurse Examiners (SANEs) where possible. If SAFEs or SANEs cannot be made available, the examination can be performed by other qualified medical practitioners. BACS shall document its efforts to provide SAFEs or SANEs.

(d) BACS shall attempt to make available to the victim a victim advocate from a rape crisis center. If a rape crisis center is not available to provide victim advocate services, BACS shall make available to provide these services a qualified staff member from a community-based organization or a qualified agency staff member. Agencies shall document efforts to secure services from rape crisis centers. For the purpose of this standard, a rape crisis center refers to an entity that provides intervention and related assistance, such as the services specified in 42 U.S.C. 14043g(b)(2)(C), to victims of sexual assault of all ages. BACS may utilize a rape crisis center that is part of a governmental unit as long as the center is not part of the criminal justice system (such as a law enforcement agency) and offers a comparable level of confidentiality as a nongovernmental entity that provides similar victim services.

(e) As requested by the victim, the victim advocate, qualified agency staff member, or qualified community-based organization staff member shall accompany and support the victim through the forensic medical examination process and investigatory interviews and shall provide emotional support, crisis intervention, information, and referrals.

(f) To the extent BACS itself is not responsible for investigating allegations of sexual abuse, BACS shall request that the investigating agency follow the requirements of paragraphs (a) through (e) of this section.

(g) The requirements of paragraphs (a) through (f) of this section shall also apply to: (1) Any State entity outside of BACS that is responsible for investigating allegations of sexual abuse in community confinement facilities; and (2) Any Department of Justice component that is responsible for investigating allegations of sexual abuse in community confinement facilities.

(h) For the purposes of this standard, a qualified agency staff member or a qualified community based staff member shall be an individual who has been screened for appropriateness to serve in this role and has received education concerning sexual assault and forensic examination issues in general.

§ 115.222 Policies to ensure referrals of allegations for investigations.

- (a) BACS shall ensure that an administrative or criminal investigation is completed for all allegations of sexual abuse and sexual harassment.
- (b) BACS shall have in place a policy to ensure that allegations of sexual abuse or sexual harassment are referred for investigation to an agency with the legal authority to conduct criminal investigations, unless the allegation does not involve potentially criminal behavior. BACS shall publish such policy on its website or, if it does not have one, make the policy available through other means. BACS shall document all such referrals.
- (c) If a separate entity is responsible for conducting criminal investigations, such publication shall describe the responsibilities of both BACS and the investigating entity.
- (d) Any State entity responsible for conducting administrative or criminal investigations of sexual abuse or sexual harassment in community confinement facilities shall have in place a policy governing the conduct of such investigations.
- (e) Any Department of Justice component responsible for conducting administrative or criminal investigations of sexual abuse or sexual harassment in community confinement facilities shall have in place a policy governing the conduct of such investigations.

Training and Education § 115.231 Employee training.

- (a) BACS shall train all employees who may have contact with residents on:
 - (1) Its zero-tolerance policy for sexual abuse and sexual harassment;
 - (2) How to fulfill their responsibilities under agency sexual abuse and sexual harassment prevention, detection, reporting, and response policies and procedures;
 - (3) Residents' right to be free from sexual abuse and sexual harassment;
 - (4) The right of residents and employees to be free from retaliation for reporting sexual abuse and sexual harassment;
 - (5) The dynamics of sexual abuse and sexual harassment in confinement;
 - (6) The common reactions of sexual abuse and sexual harassment victims;
 - (7) How to detect and respond to signs of threatened and actual sexual abuse;
 - (8) How to avoid inappropriate relationships with residents;
 - (9) How to communicate effectively and professionally with residents, including lesbian, gay, bisexual, transgender, intersex, or gender nonconforming residents; and
 - (10) How to comply with relevant laws related to mandatory reporting of sexual abuse to outside authorities.
- (b) Such training shall be tailored to the gender of the residents at the employee's facility. The employee shall receive additional training if the employee is reassigned from a facility that houses only male residents to a facility that houses only female residents, or vice versa.
- (c) All current employees who have not received such training shall be trained within one year of the effective date of the PREA standards, and BACS shall provide each employee with refresher training every two years to ensure that all employees know BACS's current sexual abuse and sexual harassment policies and procedures. In years in which an employee does not receive refresher training, BACS shall provide refresher information on current sexual abuse and sexual harassment policies.

(d) BACS shall document, through employee signature or electronic verification that employees understand the training they have received.

§ 115.232 Volunteer and contractor training.

(a) BACS shall ensure that all volunteers and contractors who have contact with residents have been trained on their responsibilities under BACS's sexual abuse and sexual harassment prevention, detection, and response policies and procedures.

(b) The level and type of training provided to volunteers and contractors shall be based on the services they provide and level of contact they have with residents, but all volunteers and contractors who have contact with residents shall be notified of BACS.'s zero-tolerance policy regarding sexual abuse and sexual harassment and informed how to report such incidents.

(c) BACS shall maintain documentation confirming that volunteers and contractors understand the training they have received

§ 115.233 Resident education.

(a) During the intake process, residents shall receive information explaining BACS's zero tolerance policy regarding sexual abuse and sexual harassment, how to report incidents or suspicions of sexual abuse or sexual harassment, their rights to be free from sexual abuse and sexual harassment and to be free from retaliation for reporting such incidents, and regarding agency policies and procedures for responding to such incidents.

(b) BACS shall provide refresher information whenever a resident is transferred to a different facility.

(c) BACS shall provide resident education in formats accessible to all residents, including those who are limited English proficient, deaf, visually impaired, or otherwise disabled as well as residents who have limited reading skills.

(d) BACS shall maintain documentation of resident participation in these education sessions.

(e) In addition to providing such education, BACS shall ensure that key information is continuously and readily available or visible to residents through posters, resident handbooks, or other written formats.

§ 115.234 Specialized training: Investigations.

(a) In addition to the general training provided to all employees pursuant to § 115.231, BACS shall ensure that, to the extent BACS itself conducts sexual abuse investigations, its investigators have received training in conducting such investigations in confinement settings.

(b) Specialized training shall include techniques for interviewing sexual abuse victims, proper use of Miranda and Garrity warnings, sexual abuse evidence collection in confinement settings, and the criteria and evidence required to substantiate a case for administrative action or prosecution referral.

(c) BACS shall maintain documentation that agency investigators have completed the required specialized training in conducting sexual abuse investigations.

(d) Any State entity or Department of Justice component that investigates sexual abuse in confinement settings shall provide such training to its agents and investigators who conduct such investigations.

§ 115.235 Specialized training: Medical and mental health care.

(a) BACS shall ensure that all full- and part-time medical and mental health care practitioners who work regularly in its facilities have been trained in: (1) How to detect and assess signs of sexual abuse and sexual harassment; (2) How to preserve physical evidence of sexual abuse; (3) How to respond effectively and professionally to victims of sexual abuse and sexual harassment; and (4) How and to whom to report allegations or suspicions of sexual abuse and sexual harassment.

(b) If medical staff employed by BACS conduct forensic examinations, such medical staff shall receive the appropriate training to conduct such examinations.

(c) BACS shall maintain documentation that medical and mental health practitioners have received the training referenced in this standard either from BACS or elsewhere.

(d) Medical and mental health care practitioners shall also receive the training mandated for employees under § 115.231 or for contractors and volunteers under § 115.232, depending upon the practitioner's status at BACS

§ 115.241 Screening for risk of victimization and abusiveness.

(a) All residents shall be assessed during an intake screening and upon transfer to another facility for their risk of being sexually abused by other residents or sexually abusive toward other residents.

(b) Intake screening shall ordinarily take place within 72 hours of arrival at the facility.

(c) Such assessments shall be conducted using an objective screening instrument.

(d) The intake screening shall consider, at a minimum, the following criteria to assess residents for risk of sexual victimization: (1) Whether the resident has a mental, physical, or developmental disability; (2) The age of the resident; (3) The physical build of the resident; (4) Whether the resident has previously been incarcerated; (5) Whether the resident's criminal history is exclusively nonviolent; (6) Whether the resident has prior convictions for sex offenses against an adult or child; (7) Whether the resident is or is perceived to be gay, lesbian, bisexual, transgender, intersex, or gender nonconforming; (8) Whether the resident has previously experienced sexual victimization; and (9) The resident's own perception of vulnerability.

(e) The intake screening shall consider prior acts of sexual abuse, prior convictions for violent offenses, and history of prior institutional violence or sexual abuse, as known to BACS, in assessing residents for risk of being sexually abusive.

(f) Within a set time period, not to exceed 30 days from the resident's arrival at the facility, the facility will reassess the resident's risk of victimization or abusiveness based

upon any additional, relevant information received by the facility since the intake screening.

(g) A resident's risk level shall be reassessed when warranted due to a referral, request, incident of sexual abuse, or receipt of additional information that bears on the resident's risk of sexual victimization or abusiveness.

(h) Residents may not be disciplined for refusing to answer, or for not disclosing complete information in response to, questions asked pursuant to paragraphs (d)(1), (d)(7), (d)(8), or (d)(9) of this section.

(i) BACS shall implement appropriate controls on the dissemination within the facility of responses to questions asked pursuant to this standard in order to ensure that sensitive information is not exploited to the resident's detriment by staff or other residents.

§ 115.242 Use of screening information.

(a) BACS shall use information from the risk screening required by § 115.241 to inform housing, bed, work, education, and program assignments with the goal of keeping separate those residents at high risk of being sexually victimized from those at high risk of being sexually abusive.

(b) BACS shall make individualized determinations about how to ensure the safety of each resident.

(c) In deciding whether to assign a transgender or intersex resident to a facility for male or female residents, and in making other housing and programming assignments, BACS shall consider on a case-by-case basis whether a placement would ensure the resident's health and safety, and whether the placement would present management or security problems.

(d) A transgender or intersex resident's own views with respect to his or her own safety shall be given serious consideration.

(e) Transgender and intersex residents shall be given the opportunity to shower separately from other residents.

(f) BACS shall not place lesbian, gay, bisexual, transgender, or intersex residents in dedicated facilities, units, or wings solely on the basis of such identification or status, unless such placement is in a dedicated facility unit, or wing established in connection with a consent decree, legal settlement, or legal judgment for the purpose of protecting such residents.

§ 115.251 Resident reporting.

(a) BACS shall provide multiple internal ways for residents to privately report sexual abuse and sexual harassment, retaliation by other residents or staff for reporting sexual abuse and sexual harassment, and staff neglect or violation of responsibilities that may have contributed to such incidents.

(b) BACS shall also inform residents of at least one way to report abuse or harassment to a public or private entity or office that is not part of BACS and that is able to receive and

immediately forward resident reports of sexual abuse and sexual harassment to agency officials, allowing the resident to remain anonymous upon request

(c) Staff shall accept reports made verbally, in writing, anonymously, and from third parties and shall promptly document any verbal reports.

(d) BACS shall provide a method for staff to privately report sexual abuse and sexual harassment of residents.

§ 115.252 Exhaustion of administrative remedies.

(a) An agency shall be exempt from this standard if it does not have administrative procedures to address resident grievances regarding sexual abuse.

(b)(1) BACS shall not impose a time limit on when a resident may submit a grievance regarding an allegation of sexual abuse. (2) BACS may apply otherwise-applicable time limits on any portion of a grievance that does not allege an incident of sexual abuse. (3) BACS shall not require a resident to use any informal grievance process, or to otherwise attempt to resolve with staff, an alleged incident of sexual abuse. (4) Nothing in this section shall restrict BACS's ability to defend against a lawsuit filed by a resident on the ground that the applicable statute of limitations has expired.

(c) BACS shall ensure that— (1) A resident who alleges sexual abuse may submit a grievance without submitting it to a staff member who is the subject of the complaint, and (2) Such grievance is not referred to a staff member who is the subject of the complaint.

(d)(1) BACS shall issue a final agency decision on the merits of any portion of a grievance alleging sexual abuse within 90 days of the initial filing of the grievance. (2) Computation of the 90-day time period shall not include time consumed by residents in preparing any administrative appeal. (3) BACS may claim an extension of time to respond, of up to 70 days, if the normal time period for response is insufficient to make an appropriate decision. BACS shall notify the resident in writing of any such extension and provide a date by which a decision will be made. (4) At any level of the administrative process, including the final level, if the resident does not receive a response within the time allotted for reply, including any properly noticed extension, the resident may consider the absence of a response to be a denial at that level.

(e)(1) Third parties, including fellow residents, staff members, family members, attorneys, and outside advocates, shall be permitted to assist residents in filing requests for administrative remedies relating to allegations of sexual abuse, and shall also be permitted to file such requests on behalf of residents. (2) If a third party files such a request on behalf of a resident, the facility may require as a condition of processing the request that the alleged victim agree to have the request filed on his or her behalf, and may also require the alleged victim to personally pursue any subsequent steps in the administrative remedy process. (3) If the resident declines to have the request processed on his or her behalf, BACS shall document the resident's decision.

(f)(1) BACS shall establish procedures for the filing of an emergency grievance alleging that a resident is subject to a substantial risk of imminent sexual abuse. (2) After receiving an emergency grievance alleging a resident is subject to a substantial risk of

imminent sexual abuse, BACS shall immediately forward the grievance (or any portion thereof that alleges the substantial risk of imminent sexual abuse) to a level of review at which immediate corrective action may be taken, shall provide an initial response within 48 hours, and shall issue a final agency decision within five (5) calendar days. The initial response and final agency decision shall document BACS's determination whether the resident is in substantial risk of imminent sexual abuse and the action taken in response to the emergency grievance.

(g) BACS may discipline a resident for filing a grievance related to alleged sexual abuse only where BACS demonstrates that the resident filed the grievance in bad faith.

§ 115.253 Resident access to outside confidential support services.

(a) The facility shall provide residents with access to outside victim advocates for emotional support services related to sexual abuse by giving residents mailing addresses and telephone numbers, including toll-free hotline numbers where available, of local, State, or national victim advocacy or rape crisis organizations, and by enabling reasonable communication between residents and these organizations, in as confidential a manner as possible.

(b) The facility shall inform residents, prior to giving them access, of the extent to which such communications will be monitored and the extent to which reports of abuse will be forwarded to authorities in accordance with mandatory reporting laws. (c) BACS shall maintain or attempt to enter into memoranda of understanding or other agreements with community service providers that are able to provide residents with confidential emotional support services related to sexual abuse. BACS shall maintain copies of agreements or documentation showing attempts to enter into such agreements.

§ 115.254 Third-party reporting. BACS shall establish a method to receive third-party reports of sexual abuse and sexual harassment and shall distribute publicly information on how to report sexual abuse and sexual harassment on behalf of a resident.

§ 115.261 Staff and agency reporting duties.

(a) BACS shall require all staff to report immediately and according to agency policy any knowledge, suspicion, or information regarding an incident of sexual abuse or sexual harassment that occurred in a facility, whether or not it is part of BACS; retaliation against residents or staff who reported such an incident; and any staff neglect or violation of responsibilities that may have contributed to an incident or retaliation.

(b) Apart from reporting to designated supervisors or officials, staff shall not reveal any information related to a sexual abuse report to anyone other than to the extent necessary, as specified in agency policy, to make treatment, investigation, and other security and management decisions.

(c) Unless otherwise precluded by Federal, State, or local law, medical and mental health practitioners shall be required to report sexual abuse pursuant to paragraph (a) of this

section and to inform residents of the practitioner's duty to report, and the limitations of confidentiality, at the initiation of services.

(d) If the alleged victim is under the age of 18 or considered a vulnerable adult under a State or local vulnerable persons statute, BACS shall report the allegation to the designated State or local services agency under applicable mandatory reporting laws.

(e) The facility shall report all allegations of sexual abuse and sexual harassment, including third-party and anonymous reports, to the facility's designated investigators.

§ 115.262 Agency protection duties. When an agency learns that a resident is subject to a substantial risk of imminent sexual abuse, it shall take immediate action to protect the resident.

§ 115.263 Reporting to other confinement facilities.

(a) Upon receiving an allegation that a resident was sexually abused while confined at another facility, the head of the facility that received the allegation shall notify the head of the facility or appropriate office of BACS where the alleged abuse occurred.

(b) Such notification shall be provided as soon as possible, but no later than 72 hours after receiving the allegation.

(c) BACS shall document that it has provided such notification.

(d) The facility head or agency office that receives such notification shall ensure that the allegation is investigated in accordance with these standards.

§ 115.264 Staff first responder duties.

(a) Upon learning of an allegation that a resident was sexually abused, the first security staff member to respond to the report shall be required to: (1) Separate the alleged victim and abuser; (2) Preserve and protect any crime scene until appropriate steps can be taken to collect any evidence; (3) If the abuse occurred within a time period that still allows for the collection of physical evidence, request that the alleged victim not take any actions that could destroy physical evidence, including, as appropriate, washing, brushing teeth, changing clothes, urinating, defecating, smoking, drinking, or eating; and (4) If the abuse occurred within a time period that still allows for the collection of physical evidence, ensure that the alleged abuser does not take any actions that could destroy physical evidence, including, as appropriate, washing, brushing teeth, changing clothes, urinating, defecating, smoking, drinking, or eating.

(b) If the first staff responder is not a security staff member, the responder shall be required to request that the alleged victim not take any actions that could destroy physical evidence and then notify security staff.

§ 115.265 Coordinated response.

The facility shall develop a written institutional plan to coordinate actions taken in response to an incident of sexual abuse, among staff first responders, medical and mental health practitioners, investigators, and facility leadership.

§ 115.266 Preservation of ability to protect residents from contact with abusers

(a) Neither BACS nor any other governmental entity responsible for collective bargaining on BACS's behalf shall enter into or renew any collective bargaining agreement or other agreement that limits BACS's ability to remove alleged staff sexual abusers from contact with residents pending the outcome of an investigation or of a determination of whether and to what extent discipline is warranted.

(b) Nothing in this standard shall restrict the entering into or renewal of agreements that govern: (1) The conduct of the disciplinary process, as long as such agreements are not inconsistent with the provisions of §§ 115.272 and 115.276; or (2) Whether a no-contact assignment that is imposed pending the outcome of an investigation shall be expunged from or retained in the staff member's personnel file following a determination that the allegation of sexual abuse is not substantiated.

§ 115.267 Agency protection against retaliation.

(a) BACS shall establish a policy to protect all residents and staff who report sexual abuse or sexual harassment or cooperate with sexual abuse or sexual harassment investigations from retaliation by other residents or staff and shall designate which staff members or departments are charged with monitoring retaliation.

(b) BACS shall employ multiple protection measures, such as housing changes or transfers for resident victims or abusers, removal of alleged staff or resident abusers from contact with victims, and emotional support services for residents or staff who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.

(c) For at least 90 days following a report of sexual abuse, BACS shall monitor the conduct and treatment of residents or staff who reported the sexual abuse and of residents who were reported to have suffered sexual abuse to see if there are changes that may suggest possible retaliation by residents or staff, and shall act promptly to remedy any such retaliation. Items BACS should monitor include any resident disciplinary reports, housing, or program changes, or negative performance reviews or reassignments of staff. BACS shall continue such monitoring beyond 90 days if the initial monitoring indicates a continuing need.

(d) In the case of residents, such monitoring shall also include periodic status checks.

(e) If any other individual who cooperates with an investigation expresses a fear of retaliation, BACS shall take appropriate measures to protect that individual against retaliation.

(f) An agency's obligation to monitor shall terminate if BACS determines that the allegation is unfounded.

§ 115.271 Criminal and administrative agency investigations.

- (a) When BACS conducts its own investigations into allegations of sexual abuse and sexual harassment, it shall do so promptly, thoroughly, and objectively for all allegations, including third-party and anonymous reports.
- (b) Where sexual abuse is alleged, BACS shall use investigators who have received special training in sexual abuse investigations pursuant to § 115.234. 25
- (c) Investigators shall gather and preserve direct and circumstantial evidence, including any available physical and DNA evidence and any available electronic monitoring data; shall interview alleged victims, suspected perpetrators, and witnesses; and shall review prior complaints and reports of sexual abuse involving the suspected perpetrator.
- (d) When the quality of evidence appears to support criminal prosecution, BACS shall conduct compelled interviews only after consulting with prosecutors as to whether compelled interviews may be an obstacle for subsequent criminal prosecution.
- (e) The credibility of an alleged victim, suspect, or witness shall be assessed on an individual basis and shall not be determined by the person's status as resident or staff. No agency shall require a resident who alleges sexual abuse to submit to a polygraph examination or other truth telling device as a condition for proceeding with the investigation of such an allegation.
- (f) Administrative investigations: (1) Shall include an effort to determine whether staff actions or failures to act contributed to the abuse; and (2) Shall be documented in written reports that include a description of the physical and testimonial evidence, the reasoning behind credibility assessments, and investigative facts and findings.
- (g) Criminal investigations shall be documented in a written report that contains a thorough description of physical, testimonial, and documentary evidence and attaches copies of all documentary evidence where feasible.
- (h) Substantiated allegations of conduct that appears to be criminal shall be referred for prosecution.
- (i) BACS shall retain all written reports referenced in paragraphs (f) and (g) of this section for as long as the alleged abuser is incarcerated or employed by BACS, plus five years.
- (j) The departure of the alleged abuser or victim from the employment or control of the facility or agency shall not provide a basis for terminating an investigation.
- (k) Any State entity or Department of Justice component that conducts such investigations shall do so pursuant to the above requirements. (l) When outside agencies investigate sexual abuse, the facility shall cooperate with outside investigators and shall endeavor to remain informed about the progress of the investigation.

§ 115.272 Evidentiary standard for administrative investigations. BACS shall impose no standard higher than a preponderance of the evidence in determining whether allegations of sexual abuse or sexual harassment are substantiated.

§ 115.273 Reporting to residents.

- (a) Following an investigation into a resident's allegation of sexual abuse suffered in an agency facility, BACS shall inform the resident as to whether the allegation has been determined to be substantiated, unsubstantiated, or unfounded.
- (b) If BACS did not conduct the investigation, it shall request the relevant information from the investigative agency in order to inform the resident.
- (c) Following a resident's allegation that a staff member has committed sexual abuse against the resident, BACS shall subsequently inform the resident (unless BACS has determined that the allegation is unfounded) whenever: (1) The staff member is no longer posted within the resident's unit; (2) The staff member is no longer employed at the facility; (3) BACS learns that the staff member has been indicted on a charge related to sexual abuse within the facility; or (4) BACS learns that the staff member has been convicted on a charge related to sexual abuse within the facility.
- (d) Following a resident's allegation that he or she has been sexually abused by another resident, BACS shall subsequently inform the alleged victim whenever: (1) BACS learns that the alleged abuser has been indicted on a charge related to sexual abuse within the facility; or (2) BACS learns that the alleged abuser has been convicted on a charge related to sexual abuse within the facility.
- (e) All such notifications or attempted notifications shall be documented. (f) An agency's obligation to report under this standard shall terminate if the resident is released from BACS's custody.

§ 115.276 Disciplinary sanctions for staff.

- (a) Staff shall be subject to disciplinary sanctions up to and including termination for violating agency sexual abuse or sexual harassment policies.
- (b) Termination shall be the presumptive disciplinary sanction for staff who have engaged in sexual abuse.
- (c) Disciplinary sanctions for violations of agency policies relating to sexual abuse or sexual harassment (other than actually engaging in sexual abuse) shall be commensurate with the nature and circumstances of the acts committed, the staff member's disciplinary history, and the sanctions imposed for comparable offenses by other staff with similar histories.
- (d) All terminations for violations of agency sexual abuse or sexual harassment policies, or resignations by staff who would have been terminated if not for their resignation, shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to any relevant licensing bodies.

§ 115.277 Corrective action for contractors and volunteers.

- (a) Any contractor or volunteer who engages in sexual abuse shall be prohibited from contact with residents and shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to relevant licensing bodies.

(b) The facility shall take appropriate remedial measures, and shall consider whether to prohibit further contact with residents, in the case of any other violation of agency sexual abuse or sexual harassment policies by a contractor or volunteer.

§ 115.278 Disciplinary sanctions for residents.

(a) Residents shall be subject to disciplinary sanctions pursuant to a formal disciplinary process following an administrative finding that the resident engaged in resident-on-resident sexual abuse or following a criminal finding of guilt for resident-on-resident sexual abuse.

(b) Sanctions shall be commensurate with the nature and circumstances of the abuse committed, the resident's disciplinary history, and the sanctions imposed for comparable offenses by other residents with similar histories.

(c) The disciplinary process shall consider whether a resident's mental disabilities or mental illness contributed to his or her behavior when determining what type of sanction, if any, should be imposed.

(d) If the facility offers therapy, counseling, or other interventions designed to address and correct underlying reasons or motivations for the abuse, the facility shall consider whether to require the offending resident to participate in such interventions as a condition of access to programming or other benefits.

(e) BACS may discipline a resident for sexual contact with staff only upon a finding that the staff member did not consent to such contact.

(f) For the purpose of disciplinary action, a report of sexual abuse made in good faith based upon a reasonable belief that the alleged conduct occurred shall not constitute falsely reporting an incident or lying, even if an investigation does not establish evidence sufficient to substantiate the allegation.

(g) An agency may, in its discretion, prohibit all sexual activity between residents and may discipline residents for such activity. An agency may not, however, deem such activity to constitute sexual abuse if it determines that the activity is not coerced.

§ 115.282 Access to emergency medical and mental health services.

(a) Resident victims of sexual abuse shall receive timely, unimpeded access to emergency medical treatment and crisis intervention services, the nature and scope of which are determined by medical and mental health practitioners according to their professional judgment.

(b) If no qualified medical or mental health practitioners are on duty at the time a report of recent abuse is made, security staff first responders shall take preliminary steps to protect the victim pursuant to § 115.262 and shall immediately notify the appropriate medical and mental health practitioners.

(c) Resident victims of sexual abuse while incarcerated shall be offered timely information about and timely access to emergency contraception and sexually transmitted infections prophylaxis, in accordance with professionally accepted standards of care, where medically appropriate.

(d) Treatment services shall be provided to the victim without financial cost and regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident.

§ 115.283 Ongoing medical and mental health care for sexual abuse victims and abusers.

(a) The facility shall offer medical and mental health evaluation and, as appropriate, treatment to all residents who have been victimized by sexual abuse in any prison, jail, lockup, or juvenile facility.

(b) The evaluation and treatment of such victims shall include, as appropriate, follow-up services, treatment plans, and, when necessary, referrals for continued care following their transfer to, or placement in, other facilities, or their release from custody.

(c) The facility shall provide such victims with medical and mental health services consistent with the community level of care.

(d) Resident victims of sexually abusive vaginal penetration while incarcerated shall be offered pregnancy tests.

(e) If pregnancy results from conduct specified in paragraph (d) of this section, such victims shall receive timely and comprehensive information about and timely access to all lawful pregnancy related medical services.

(f) Resident victims of sexual abuse while incarcerated shall be offered tests for sexually transmitted infections as medically appropriate.

(g) Treatment services shall be provided to the victim without financial cost and regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident.

(h) The facility shall attempt to conduct a mental health evaluation of all known resident-on resident abusers within 60 days of learning of such abuse history and offer treatment when deemed appropriate by mental health practitioners.

Data Collection and Review § 115.286 Sexual abuse incident reviews.

(a) The facility shall conduct a sexual abuse incident review at the conclusion of every sexual abuse investigation, including where the allegation has not been substantiated, unless the allegation has been determined to be unfounded.

(b) Such review shall ordinarily occur within 30 days of the conclusion of the investigation.

(c) The review team shall include upper-level management officials, with input from line supervisors, investigators, and medical or mental health practitioners.

(d) The review team shall: (1) Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect, or respond to sexual abuse; (2) Consider whether the incident or allegation was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender, or intersex identification, status, or perceived status; or gang affiliation; or was motivated or otherwise caused by other group dynamics at the facility; (3) Examine the area in the facility where the incident allegedly occurred

to assess whether physical barriers in the area may enable abuse; (4) Assess the adequacy of staffing levels in that area during different shifts; (5) Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff; and (6) Prepare a report of its findings, including but not necessarily limited to determinations made pursuant to paragraphs (d)(1)-(d)(5) of this section, and any recommendations for improvement, and submit such report to the facility head and PREA compliance manager. (e) The facility shall implement the recommendations for improvement, or shall document its reasons for not doing so.

§ 115.287 Data collection.

- (a) BACS shall collect accurate, uniform data for every allegation of sexual abuse at facilities under its direct control using a standardized instrument and set of definitions.
- (b) BACS shall aggregate the incident-based sexual abuse data at least annually.
- (c) The incident-based data collected shall include, at a minimum, the data necessary to answer all questions from the most recent version of the Survey of Sexual Violence conducted by the Department of Justice.
- (d) BACS shall maintain, review, and collect data as needed from all available incident based documents including reports, investigation files, and sexual abuse incident reviews.
- (e) BACS also shall obtain incident-based and aggregated data from every private facility with which it contracts for the confinement of its residents.
- (f) Upon request, BACS shall provide all such data from the previous calendar year to the Department of Justice no later than June 30.

§ 115.288 Data review for corrective action.

- (a) BACS shall review data collected and aggregated pursuant to § 115.287 in order to assess and improve the effectiveness of its sexual abuse prevention, detection, and response policies, practices, and training, including: (1) Identifying problem areas; (2) Taking corrective action on an ongoing basis; and (3) Preparing an annual report of its findings and corrective actions for each facility, as well as BACS as a whole.
- (b) Such report shall include a comparison of the current year's data and corrective actions with those from prior years and shall provide an assessment of BACS's progress in addressing sexual abuse.
- (c) BACS's report shall be approved by BACS head and made readily available to the public through its website or, if it does not have one, through other means.
- (d) BACS may redact specific material from the reports when publication would present a clear and specific threat to the safety and security of a facility, but must indicate the nature of the material redacted.

§ 115.289 Data storage, publication, and destruction.

- (a) BACS shall ensure that data collected pursuant to § 115.287 are securely retained.

(b) BACS shall make all aggregated sexual abuse data, from facilities under its direct control and private facilities with which it contracts, readily available to the public at least annually through its website or, if it does not have one, through other means.

(c) Before making aggregated sexual abuse data publicly available, BACS shall remove all personal identifiers.

(d) BACS shall maintain sexual abuse data collected pursuant to § 115.287 for at least 10 years after the date of the initial collection unless Federal, State, or local law requires otherwise. Audits § 115.293 Audits of standards. BACS shall conduct audits pursuant to §§ 115.401-405.

§ 115.401 Frequency and scope of audits.

(a) During the three-year period starting on August 20, 2013, and during each three-year period thereafter, BACS shall ensure that each facility operated by BACS, or by a private organization on behalf of BACS, is audited at least once.

(b) During each one-year period starting on August 20, 2013, BACS shall ensure that at least one-third of each facility type operated by BACS, or by a private organization on behalf of BACS, is audited.

(c) The Department of Justice may send a recommendation to an agency for an expedited audit if the Department has reason to believe that a particular facility may be experiencing problems relating to sexual abuse. The recommendation may also include referrals to resources that may assist BACS with PREA-related issues.

(d) The Department of Justice shall develop and issue an audit instrument that will provide guidance on the conduct of and contents of the audit.

(e) BACS shall bear the burden of demonstrating compliance with the standards.

(f) The auditor shall review all relevant agency-wide policies, procedures, reports, internal and external audits, and accreditations for each facility type.

(g) The audits shall review, at a minimum, a sampling of relevant documents and other records and information for the most recent one-year period.

(h) The auditor shall have access to, and shall observe, all areas of the audited facilities.

(i) The auditor shall be permitted to request and receive copies of any relevant documents (including electronically stored information).

(j) The auditor shall retain and preserve all documentation (including, e.g., video tapes and interview notes) relied upon in making audit determinations. Such documentation shall be provided to the Department of Justice upon request.

(k) The auditor shall interview a representative sample of inmates, residents, and detainees, and of staff, supervisors, and administrators.

(l) The auditor shall review a sampling of any available videotapes and other electronically available data that may be relevant to the provisions being audited.

(m) The auditor shall be permitted to conduct private interviews with inmates, residents, and detainees.

(n) Inmates, residents, and detainees shall be permitted to send confidential information or correspondence to the auditor in the same manner as if they were communicating with legal counsel.

(o) Auditors shall attempt to communicate with community-based or victim advocates who may have insight into relevant conditions in the facility.

§ 115.402 Auditor qualifications.

(a) An audit shall be conducted by: (1) A member of a correctional monitoring body that is not part of, or under the authority of, BACS (but may be part of, or authorized by, the relevant State or local government); (2) A member of an auditing entity such as an inspector general's or ombudsperson's office that is external to BACS; or (3) Other outside individuals with relevant experience.

(b) All auditors shall be certified by the Department of Justice. The Department of Justice shall develop and issue procedures regarding the certification process, which shall include training requirements

(c) No audit may be conducted by an auditor who has received financial compensation from BACS being audited (except for compensation received for conducting prior PREA audits) within the three years prior to BACS's retention of the auditor.

(d) BACS shall not employ, contract with, or otherwise financially compensate the auditor for three years subsequent to BACS's retention of the auditor, with the exception of contracting for subsequent PREA audits.

§ 115.403 Audit contents and findings.

(a) Each audit shall include a certification by the auditor that no conflict of interest exists with respect to his or her ability to conduct an audit of BACS under review.

(b) Audit reports shall state whether agency-wide policies and procedures comply with relevant PREA standards.

(c) For each PREA standard, the auditor shall determine whether the audited facility reaches one of the following findings: Exceeds Standard (substantially exceeds requirement of standard); Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period); Does Not Meet Standard (requires corrective action). The audit summary shall indicate, among other things, the number of provisions the facility has achieved at each grade level.

(d) Audit reports shall describe the methodology, sampling sizes, and basis for the auditor's conclusions with regard to each standard provision for each audited facility, and shall include recommendations for any required corrective action.

(e) Auditors shall redact any personally identifiable inmate or staff information from their reports, but shall provide such information to BACS upon request, and may provide such information to the Department of Justice.

(f) BACS shall ensure that the auditor's final report is published on BACS's website if it has one, or is otherwise made readily available to the public.

34 § 115.404 Audit corrective action plan.

- (a) A finding of “Does Not Meet Standard” with one or more standards shall trigger a 180-day corrective action period.
- (b) The auditor and BACS shall jointly develop a corrective action plan to achieve compliance.
- (c) The auditor shall take necessary and appropriate steps to verify implementation of the corrective action plan, such as reviewing updated policies and procedures or re-inspecting portions of a facility.
- (d) After the 180-day corrective action period ends, the auditor shall issue a final determination as to whether the facility has achieved compliance with those standards requiring corrective action.
- (e) If BACS does not achieve compliance with each standard, it may (at its discretion and cost) request a subsequent audit once it believes that it has achieved compliance.

§ 115.405 Audit appeals.

- (a) An agency may lodge an appeal with the Department of Justice regarding any specific audit finding that it believes to be incorrect. Such appeal must be lodged within 90 days of the auditor’s final determination.
- (b) If the Department determines that BACS has stated good cause for a re-evaluation, BACS may commission a re-audit by an auditor mutually agreed upon by the Department and BACS, BACS shall bear the costs of this re-audit.
- (c) The findings of the re-audit shall be considered final. State Compliance

§ 115.501 State determination and certification of full compliance.

- (a) In determining pursuant to 42 U.S.C. 15607(c)(2) whether the State is in full compliance with the PREA standards, the Governor shall consider the results of the most recent agency audits.
- (b) The Governor’s certification shall apply to all facilities in the State under the operational control of the State’s executive branch, including facilities operated by private entities on behalf of the State’s executive branch.
